How to cast the spell

Put these two things, the figure of St Michael and the stone in your purse, pocket or near your cash box if you own a business.

If you have never prayed to archangel St. Michael, this is a prayer that you can use:

*"Glorious Saint Michael, Prince of the
Heavenly Armies, be my guide.*

*Defend me in the fight against the spirits
of wickedness in the high places.*

With full confidence I come to you.

*I implore your blessed intercession for the solution of my
economic burdens and difficulties.*

*With a heart of light, I direct this request, trusting in your
infinite power and wisdom. Amen".*

Pray to the Archangel St. Michael every day and give him thanks for listening to your prayer. He will protect your money and make prosperity come your way soon.

The combination of this powerful money prayer with the power of attraction of the magnetic stone will quietly turn you into a money magnet. This spell is very simple yet effective. It must be done with great faith and perseverance.
