## How to cast the spell

Fill the chalice or cup with salt and place it on your altar.

Place the image of St. Expedite inside the cup so that part of it is touching the salt. Light the white candle.

Focus on the image of the Saint for a minute, cross yourself and say the following prayer:

*“ Blessed Saint Expedite,  
Divine protector of the anguished,  
You are the Saint of urgent and just causes.*

*I close my eyes,  
I surrender to you and trust you.  
Help me, sovereign saint,  
Give me your hand so I can get up.*

*So that I can settle my debts.*

*Over me Money will rain,  
So I shall lack nothing.*

*Because you have helped me,  
I will invoke your Holy Name,  
Giving you thanks and praising your Sacred Flame.*

*Amen. ”*

Let the candle burn all the way without leaving the room. Keep the image of Saint Expedite in your wallet, along with a pinch of salt.
