

Full Moon Ritual

The Full Moon phase is perfect for channeling your energy into any projects, ideas or goals. Think about what you're missing in your life and wish to manifest, or what you already have in your life but want to attract more.

- 1 white candle
- Paper
- Pen

1. Light a white candle and place it on a dish.
2. Watch the flame and think about the Element Fire. Think of its life-giving, primal, passionate, and purifying powers.
3. Take 3 deep breaths and say:
*"Tonight I choose to reflect your light and open myself to radiant clarity.
I light this fire in the name of the Moon so that my request may be granted.
Thank you Goddess, for I have obtained Your Blessing and Vision, by the light of a flame.
So mote it be."*
4. Take a piece of paper and write down your petition. Let yourself go and write your wish in great detail, being as specific as you can.
5. Place the paper under the dish and leave it there until the candle goes out. Don't let candles burn unattended.
6. Once the candle has extinguished itself, Take the piece of paper and save it in your diary, Spellcasting journal, Book of Shadows, or hide it in a secret place.
7. Dispose of the remains by burying or throwing them in the compost or trash.
