

# Love Oil

This oil will be effective in attracting love, self-love, or to rekindle an old flame. You can use it to anoint candles, add it to bath water, honey jar spells, amulets or charms!

- Sealable glass bottle or jar
- Olive Oil (or grapeseed oil)
- Dried Rose Petals
- Dried Hibiscus
- Whole Cloves
- Rosemary
- Basil
- Cinnamon Stick
- Sage, incense, or Florida water

1. Begin by cleansing your container with sage, a cleansing incense or Florida water.
2. Pick up the jar, fan it with smoke all around it and say:  
*"With this smoke I cleanse this object of all negative or harmful energy so that I may use it for my highest good. So, it is said, so shall it be."*
3. Take each ingredient and empower it with your intent. For example, if this is for self-love say, "I am loved". Do that for each ingredient as you fill the jar.
4. Add the olive oil or another carrier oil.
5. Shake the ingredients together.
6. As you are calling upon the spirits of these sacred plants to support this magical workings, use them wisely, with respect and be sure to thank them for their aid!  
*"Thank you plant spirit for your blessings."*
7. Let the herbs infuse into the oil for 2-3 weeks. During the first week visit your jar daily and shake it, then spend a few minutes meditating. Feel all the feelings! Feel complete. Feel love. Be love. Radiate love. Feel worthy.
