The border is composed of several distinct elements: a large leaf with intricate patterns at the top left, a butterfly-like shape, a sun-like flower, and a leaf with a zigzag pattern at the top right. On the left side, there is a triangular leaf with a zigzag pattern, a large leaf with a central vein, and a smaller leaf. On the right side, there is a five-petaled flower, several leaves of different shapes, a leaf with a central vein, and a small cup-shaped flower. At the bottom, there is a large, complex floral design with a central flower, a squirrel-like figure, and various swirling patterns and leaves.

Earth Invocation

To invoke is to invite and welcome an entity so that we can embody its positive qualities.

Spirit of Earth, sand and stone.
Your power is patience and endurance.
You sustain our humble existence.
I call you forth to infuse me with growth,
to share your flowers and fruits.
All the treasures that are buried,
now come forth in golden splendor.
You, who hide underground,
in the kingdom of stonework,
Keep me firm and embraced in abundance.
Spirit of Earth, spirit of fertility,
I call you now.
