

Love Magnet

Amber's power of attraction is well known. The early Greek philosopher Thales of Miletos recognized amber's magnetism and he even attributed a soul or life to it. Bring love into your life with this gemstone.

- Amber stone
- Red silk bag or sachet

1. Find an amber stone and wash it with plenty of water under the tap (or use warm soapy water).
2. Write on a piece of paper a list of the qualities that you are looking for in your soulmate. This paper can be part of your Book of Shadows or journal.
3. Place the amber stone under your pillow and go to sleep.
4. The next morning, take the amber with your left hand and bring it close to your heart. As you do this, watch your emotions.
5. Try to create a deep feeling of love inside of you. Imagine what it feels like finding your soulmate and savor this moment. If you can visualize it, picture it as clearly as you can. It doesn't have to be a specific person, but rather the feelings of joy and happiness that come with finding your true love.
6. Put the amber inside a red silk bag or sachet and keep it inside a jacket pocket, close to your heart, or just carry it with you in your bag or purse.
7. For the next six days, repeat this morning visualization, and keep the red bag with the amber stone under your pillow at night. Keep carrying it close to your heart until your loved one manifests.
