

# Tea Blessing

Using an athame or wand,  
touch the herbs that you are  
going to steep in the water.

Chant this spell:

You have grown by favor of the Sun,  
The Moon, and of the dew.  
I make this intercession, you herb:  
I ask you to be of benefit to me and my rite,  
For your virtues are unfailing.  
You are the Dew of all the Gods,  
The Eye of the Sun,  
The Light of the Moon,  
The Beauty and Glory of the Sky,  
The Mystery of Terra.  
I purify you so that  
Whatever is crafted with you may,  
In all its powers,  
Have a good and speedy effect with good success.  
Be purified by my prayer and be powerful!  
So mote it be!

While you wait for the tea to steep, meditate or  
say a prayer to your deity.

Pour out a cup for all present, including one for  
the Gods, and enjoy.
