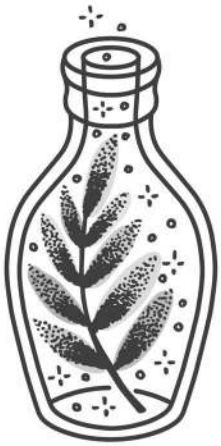
Florida Water

Florida Water has many uses - it can be used to cleanse yourself, your home, your tools and crystals. It can be added to bath water, used to anoint candles, and as a spell ingredient.

Despite the name, it is not a water-based potion! Most people use vodka to steep the herbs and flowers. Its strong magical properties have made it an essential ingredient in many traditions.

- **Clean glass jar**
- **6 cups vodka**
- **1/2 cup dried sweetgrass**
- **1/2 cup dried lavender**
- **1/2 cup dried sage**
- **1/2 cup dried cedar**



1. Gather your herbs, give thanks to them for their use.
2. Pour the vodka along with the herbs in the jar and store it at room temperature.
3. Allow the herbs to infuse for 14 days. You can place the jar outside/in a window to infuse with either a full or new moon.
4. Use a paper towel or cheese cloth to strain out the liquid from the herbs into a clean, preferably glass container.
5. Cover the lid tightly and store until needed.
