

# Good Luck and Protection Spell Jar

Create this Spell Jar on an Elemental Altar and invoke the immense powers of Earth, Air, Fire and Water in your Spell-work.

## For the Altar

- Marjoram
- Incense
- White candle
- Black candle
- Chalice (bowl) of water]
- Salt
- Cinnamon
- Bay leaf
- Rosemary
- Pen
- Fireproof container

1. Set up your altar with marjoram in the North (Earth), incense in the East (Air), candles in the South (Fire) and water in the West (Water)
2. Arrange all other items on the altar and sprinkle some salt around them for protection
3. Light your incense and candles

4. Rub your hands together until they get warm and visualize a ball of energy while holding your crystals.

5. Gently dip 3 fingers in the water and say the following prayer:

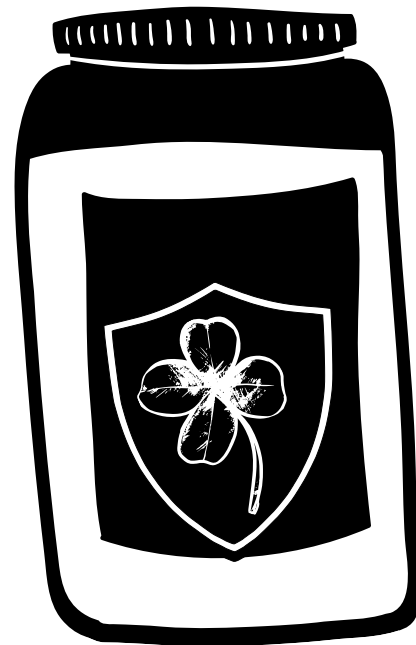

*“By the Elements of the Universal Light,  
I call to thee to give me your might,  
Open all doors and watch over me,  
May roads be open and protection surround me.  
So it is said, So mote it be.”*

6. Sprinkle some cinnamon over the salt for luck and write any problems or obstacles you would like to remove on your bay leaf.

7. Carefully burn your bay leaf with some rosemary in a fireproof container.
