

Home Blessing Oil

This anointing oil can be used for dressing candles, blessing your home, yourself, and any tools or objects you'd like to anoint with its power.

Use a combination of any of the following ingredients:

Lavender, Sage, Rosemary, Thyme, Marjoram, Mugwort,
Black Salt, Rose Petals, Calendula.

- Clean glass jar or bottle
- Sage, Palo Santo or Florida Water
- Carrier oil (Olive or Grapeseed)

Making the Blessing Oil

1. Take your glass jar and cleanse it with Sage, Palo Santo or Florida water.
2. Ask for the plant spirit blessing, for example:
"I ask that the plant spirit of Palo Santo please infuse this space with blessings."
3. Pick up the jar, fan it with smoke (or sprinkle it with Florida Water) as you say:
"With this smoke (water) I cleanse this object of all negative and harmful energy so that I may use it for my highest good. So it is said, so it shall be."
4. Add all your herbs. Visualizing each one protecting your home and purifying it.
5. Add the Olive oil or another carrier oil.
6. Shake gently and thank the plant spirits for aiding you.

Home Blessing Ritual

1. Use the same herbs from the Blessing Oil recipe (all or mix and match them) and crush them down in a mortar and pestle.

2. Anoint a white candle with your Blessing Oil.

3. Roll the candle in the crushed herbs and place it in a candle holder in your cauldron or fireproof dish.

4. Light Sage, Palo Santo or other cleansing incense and ask for the plant spirit blessing. For example:

"I ask that the plant spirit of Palo Santo please infuse this space with blessings".

5. Light your anointed, dressed white candle.

6. Sit for a moment and visualize your home being safe and secure. Imagine it is filling with love and peace.

7. When you are ready say:

*"Bless this house, may peace dwell within,
Protect all that enter here whether friend or kin.
Bless every entryway, window and wall,
Bless each room, may serenity drift through it all.
Negative energy you may not stay,
I release you and send you on your way.
Negative energies I banish thee,
It is my word, so mote it be!"*

8. When you are done sprinkle your herbs and flowers in a circle around the candle and then place a clear quartz. Arrange them anyway you like. Let your intuition guide you. Let the candle burn all the way down on its own.

Never leave candles burn unattended.

When you are done with the chant and dressing your fireproof container, you can then place a dab of your Blessing Oil on each place in the home (doorways, windowsills, etc.) You can use the oil to draw a symbol or sigil if you desire.
