

Witchcraft Basics

No two Witches are the same.
Each has a different path to discover.

★ **STEP 1: Know**

Know what your intentions are. Establish a goal for the short and long term. Start by reading a lot and try to define a path for you.

★ **STEP 2: Focus**

Learn to use meditation as a door to the spiritual world and as a tool for creativity and fresh ideas to grow.

★ **STEP 3: Cast**

Learn how rituals work. Practice visualizations, master your thoughts and words. Find easy spells for beginners in books or online at spells8.com

★ **STEP 4: Connect**

Improve your relationship with yourself by creating feelings of gratitude. Find a Coven and share your progress with others.

★ **STEP 5: Transform**

Use your own power to improve every aspect of your life. Manifest what you truly want and connect every day with Nature and the Universe.

You're now a Real-Life Witch!

Go forth and manifest your True Will. Remember the Golden Rule: *"If it harms none, do what you will"*
