Pink Moon

On April's Full Moon, date: _____

My intention is: _____

_____

"All good things spring from self-love"

Do you believe in love at first sight? Why?

Do you believe in having a soulmate? What would it be like?

Complete this sentence: Love is...

With the new energy that the Pink Moon brings, finding new ways to play with your creative spirit will fill your life with spring.

Do some reflection and exploration around the intentions you would like to set regarding love, relationships, projects, personal finances and health.

Write a love poem. Make it a cheesy one! The best love poems are those that come from the heart.
