

Sacred Blessings

A Prayer Spell to Bless a Person

Light a white candle and hold a feather as you chant the following:

I call forth [Name].

*By the light of the flame dancing before me,
the air that courses through my body,
and the beat of a heart like wings in flight-
I seek a blessing of sacred light.*

[Name]!

*I call on the powers within to grant you peace,
to keep you safe and away from harm,
May you soar unburdened through life,
Far above all hurt and strife.*

[Name]!

*Spoken thrice, your name is now blessed
with a divine force wrapped around you.
Spread your wings and be worry-free
You're blessed with light, so mote it be!*
