

The Witch's Broom

The most common use of brooms is to sweep away negative energies.

Brooms are hanged over the door to ward off harmful gossip, unwanted guests and curses.

Broom Hanging Ritual

You'll need:

- Broom
- Purifying spray, such as sage, palo santo, or rosemary
- 3 small nails to secure the broom
 - Hammer
 - Step ladder

1. Open your door and begin spraying it. As you do this, repeat, aloud or in your mind:

"I cleanse my home of all impurities. I send all negative energy back to the Earth, so that she may recycle it anew".

2. Use your broom on the doorframe making sweeping motions towards the outside of your home. While doing this, repeat, aloud or in your mind:

"I rid my home of all negativity. I humbly show this energy out of my home so that the Earth may recycle it anew."

3. Grab your step ladder, hammer, and nail. Close your door so that you are on the outside of your home. Position your broom above the door in such a way that the bristles align with the direction the door opens. Use the 3 nails to secure the broom above your door. And, voila!

The broom can be hung to one side if there's no room above the door. You can also place it inside to decorate the home.
