## Cerridwen Invocation

“Dark mother, Bright mother  
You who keep the cauldron  
You who are the cauldron of storms and tides  
Relentless and sure where mystery abides  
And in abiding is born and dies  
By the sharp and merciful blade  
Which severs the shade by the burning drink  
The food of Gods and damned mortals alike  
Cerridwen, hear us, answer our call  
Bright mother.”
