

Mother Moon Oil

You can use this oil to anoint yourself: forehead, temples, wrists, and heart.

Do this before you perform rituals to honor the beautiful light of the Full Moon.

- ¼ ounce sweet almond oil
- 15 drops lemon oil
- 7 drops citronella oil
- 6 drops jasmine oil
- 7 drops lavender oil
- 1 dried jasmine blossom
- 1 small moonstone (optional)

1. Mix all ingredients in a sterile jar or bottle.
2. Store in a cool, dark area when you are not using it.

3. Chant this incantation as you rub the oil on your forehead, temples, wrists, and heart:

*"Moon Mother, you have joined us in ritual.
Enter our souls as we drum out your heartbeat,
fill our bodies as we dance the spirals of creation.
Life and Love awaits us. Lead us to their joy.
So mote it be."*

Intuition, divinations, cosmic communication and Full Moon Magic in general is enhanced by this oil.
