Prayer to Fortuna

*Approach, strong Fortune, with propitious mind
and rich abundance, to my prayer inclined.*

*Placid, and gentle Hekate, mightily named,
imperial Artemis, born of Pluto famed.*

*Mankind's unconquered, endless praise is yours,
sepulchral, widely-wandering power divine!*

*In you, our various mortal life is found,
and some from you copious wealth abounds.*

*While others mourn your hand averse to bless,
in all the bitterness of deep distress.*

*Be present, Goddess, to we who worship you,
and give abundance with benevolent mind.*
