

Pink Candles

Planet: Venus

Day: Friday

Chakra: Heart

Numbers: 1, 0

Direction: South

Element: Fire

Zodiac: Aries

Crystals: Rose Quartz, Pink Diamond, Pink Garnet, Peridot, Aventurine.

Pink candles represent the purest form of love: A love without selfishness which is ideal for the beginning of a relationship.

These are the candles of romantic and tender love. They bring powerful energies that can attract a long-lasting relationship or reinforce a friendship.

They can help us connect with our most sensitive and receptive side, promoting loyalty, balance, and temperance.

How to Use Pink Candles

- ★ Pink candles can be used in love spells that seek to bring romantic love, tenderness, warmth, affection, and forgiveness.
- ★ Meditating with a pink candle can help fight anxiety and depression, removing negative feelings such as envy and pride.

Beauty spells and glammers will be positively affected when
★ burning a pink candle. If you need to bring balance to your heart chakra, keep a pink candle in your home, light it every Friday and accompany it with a prayer or devotional spell.

The best day for working with pink candles are Fridays, during the day or night, during any lunar phase.
