

# Purple Candles

**Planet:** Jupiter

**Day:** Wednesday

**Chakra:** Crown

**Number:** 7

**Direction:** East

**Element:** Air

**Zodiac:** Sagittarius

**Crystals:** Amethyst, Purple Fluorite, Turquoise

The color purple has been worn since the Middle Ages by cardinals, popes, and sovereigns because it symbolizes royalty. In Buddhism, a purple lotus flower is called a mystic lotus and represents enlightenment.

Purple candles favor contact with higher planes of consciousness. This is a very spiritual color, related to meditation and spiritual awareness. Purple candles are related to the capacity for sacrifice, spirituality, as well as all legal aspects that connect to the concept of authority.

## How to Use Purple Candles

- ★ Candles can be used during meditation to communicate with higher beings, deities, or to reach a deeper introspective state.
- ★ In spells, purple candles are good for psychic protection and nightmare prevention.
- ★ Purple candles can also be used for rituals in which the facts are not clear, for matters of secrecy, to heal the spirit, and to remember beings dear ones who have passed away.

---

*The best day for working with purple candles are Wednesdays, during the day or night, during any lunar phase.*
