

Wolf Prayer

Spirit of the Wolf,
You who wanders
the wild lands,
You who stalks in
silent shadows,
You who runs and
eaps between the
moss-covered trees.

Lend me your
primal strength,
and the wisdom of
your glowing eyes.
Teach me to
relentlessly track
my desires.

And to stand in
defense of those I love.

Show me the hidden paths
and the moonlit fields.

Fierce Spirit, Walk with me in my solitude.

Howl with me in my joy and Guard me
as I move through this world.
