

Brown Candles

Planet: Earth

Day: Saturday

Chakra: Root chakra

Number: 4

Direction: North

Element: Earth

Zodiac: Taurus, Virgo

Crystals: Hematite, Smoky Quartz, Tiger's Eye, Onyx

These candles represent the connection to the Earth and its grounding energy, which can be useful in spells and rituals focused on material gain, financial stability, and security.

Brown candles can symbolize a connection to Earth. Brown eliminates indecision, encourages concentration and promotes learning. They can help to alleviate stress and anxiety, encouraging a feeling of safety and comfort..

How to Use Brown Candles

- ★ Light a brown candle when making important decisions or learning new information, as they promote focus and thinking.
- ★ In spells focused on achieving goals and overcoming obstacles, brown candles can be useful. Also in rituals focused on environmental issues or connecting with the natural elements.
- ★ Brown candles are also associated with stability and security, promoting a sense of balance and calm in one's life. They can help to alleviate stress and anxiety, encouraging a feeling of safety and comfort.

The best day for working with brown candles are Saturdays. This day is associated with grounding, stability, and structure.
