Close your eyes and envision yourself on a sacred journey, walking towards Coventina's Shrine nestled by a flowing river. With deep reverence, carry your heartfelt offering to present to the Goddess.

Reflect on the earnest desire you wish to entreat Coventina's favor, allowing your intentions to grow stronger within you. As you arrive at her Shrine, graced with a holy well and adorned altar, intone the chant:

*"Coventina, Goddess of the River, I call to you with reverence true.
This humble offering I bestow, Seeking the magic that you do."*

With utmost sincerity, offer your symbolic gift to Coventina by gently casting it into the well or placing it upon the water's surface.
