Isis Invocation

In reverence, we gather close,
Drawn to Isis, in her light we repose.
In laughter and wisdom, we seek your face,
Bless us, Isis, in this sacred space.

Mother's smile, child's glee,
Guide us, Isis, like the wild, free sea.
Healer, artist, fisher's net,
In your grace, our needs are met.

Through joys and sorrows, we find our way,
In your love, Isis, we stay.
On sacred ground, our hearts declare,
Bless us, Isis, with your tender care.
