Apollo Invocation

"Mighty Apollo, radiant light,
Hear my prayer in the still of night.
Guide me with wisdom, eternal youth,
Through trials, shield me with your truth.
May my heart sing like the lyre,
With melodies of joy, never tire.
Illuminate my path, golden and bright,
As I journey through day and night.
Grant me courage to speak with grace,
To act with clarity in every place.
Cloak me in wisdom, Apollo divine,
Guide my steps, that purpose may shine."
