## Ix Chel Water Ritual

Prepare your sacred bath according to your intention. Focus on healing, protection, or receiving guidance.

Say the following:

*“Dear Ix Chel, goddess of weavers,  
we thank you for the ideas you put in our minds,  
the skills you place in our hands  
and the feelings that come from our hearts  
which make these fine weavings  
a manifestation of your beauty.”*

Stand in the rain, or sit in the water, as you visualize it washing away your blockages or troubles.
