

Prayer for a Cat

Bast is an ancient Egyptian goddess who is often depicted with the head of a lioness or domestic cat.

She embodies protection, fertility, and motherhood, and she is particularly revered as the protector of cats.

“Great Goddess Bast, protector of felines,
Hear my plea and come to my aid.
My beloved [Cat’s Name] is unwell,
And I seek your divine healing touch.

You who guard and guide with grace,
Wrap [Cat’s Name] in your loving embrace.
Banish illness, pain, and fear,
And let your healing light draw near.

With your strength, restore health anew,
Let [Cat’s Name] be strong and true.
Blessed Bast, I ask with a hopeful heart,
Keep [Cat’s Name] safe and never apart.

Thank you, dear Bast, for hearing my prayer,
For your love and protection, always there
So mote it be.
