Invocation to Sól

Radiant Sól, Goddess of the Sun,
Hear me, your devotee and seeker of light,
Shine upon me, guiding my path with your brilliance!

In moments of darkness and in times of joy,
May I find strength in your eternal glow: steadfast in spirit, body,
and heart,

May I remain grounded, conscious, and true,
My thoughts clear like the dawn; unburdened and serene,
May I make choices with clarity, guided by truth and insight.

Let my deeds and words flow from a place of honor, wisdom,
kindness, and warmth!

Grant me the wisdom to nurture, and the courage to let go,
Clothe me in your radiance and warmth;
That I may walk with confidence and grace under your guiding
light.
