*Queen Maeve, warrior of sovereignty and strength,
Grant me the power to stand tall and unyielding.

Guide my heart to seek autonomy and truth.*

*Shield me from those who would weaken my spirit,
And lend me your wisdom to lead and thrive.
In your name, I honor the warrior within,
Seeking your guidance, your strength, your pride.*

*May your power walk beside me always,
Queen of the land, mighty Maeve, I call to you.*
