YOU WILL NEED:

- an egg

OPTIONAL EXTRAS

- biodegradable pouch
- marker, paint, or egg dye
- herbs associated with prosperity (such as mint and basil)

INSTRUCTIONS

1. Begin by cleansing yourself, your tools, and your ingredients in your preferred method.

2. Hold the egg in your hands and close your eyes, visualizing what prosperity looks like to you. If you struggle to visualize, you can use affirmations instead.

3. Take three deep breaths in, with every breath drawing in the energy around you. On the last exhale, breathe over the egg in your hands, pushing the energy you've raised with your intention into the egg.

4. Bury the egg in your yard or a plant pot, returning it to the Earth so your wishes can grow and flourish!

OPTIONAL STEPS

1. Decorate the egg with symbols and colors that represent prosperity in your practice. You can include runes, ogham, Witch's Runes, or whatever symbols you feel called to use.
2. Add the decorated egg to a biodegradable pouch with herbs associated with prosperity.

3. Cast the spell on a Waxing Moon or Full Moon.
