

Shielding and Blessing

Sacred Words, Strong Shields:
Protection chants for yourself and others

*“Circle of light, pure
and bright,
Guard me now, both
day and night.”*

*“By root and flame,
wind and sea,
Only good
may come to me.”*

*“From harm and
hate, I now am free,
A shield of peace
surrounds me.”*

*“Wrap them in light,
strong and clear,
Keep them safe, bring
them near.”*

*“(Name), be safe,
be whole, be strong,
Where you walk, may
nothing go wrong.”*

*“What’s sent in dark
shall turn to light,
No harm shall pass,
no ill shall bite.”*
