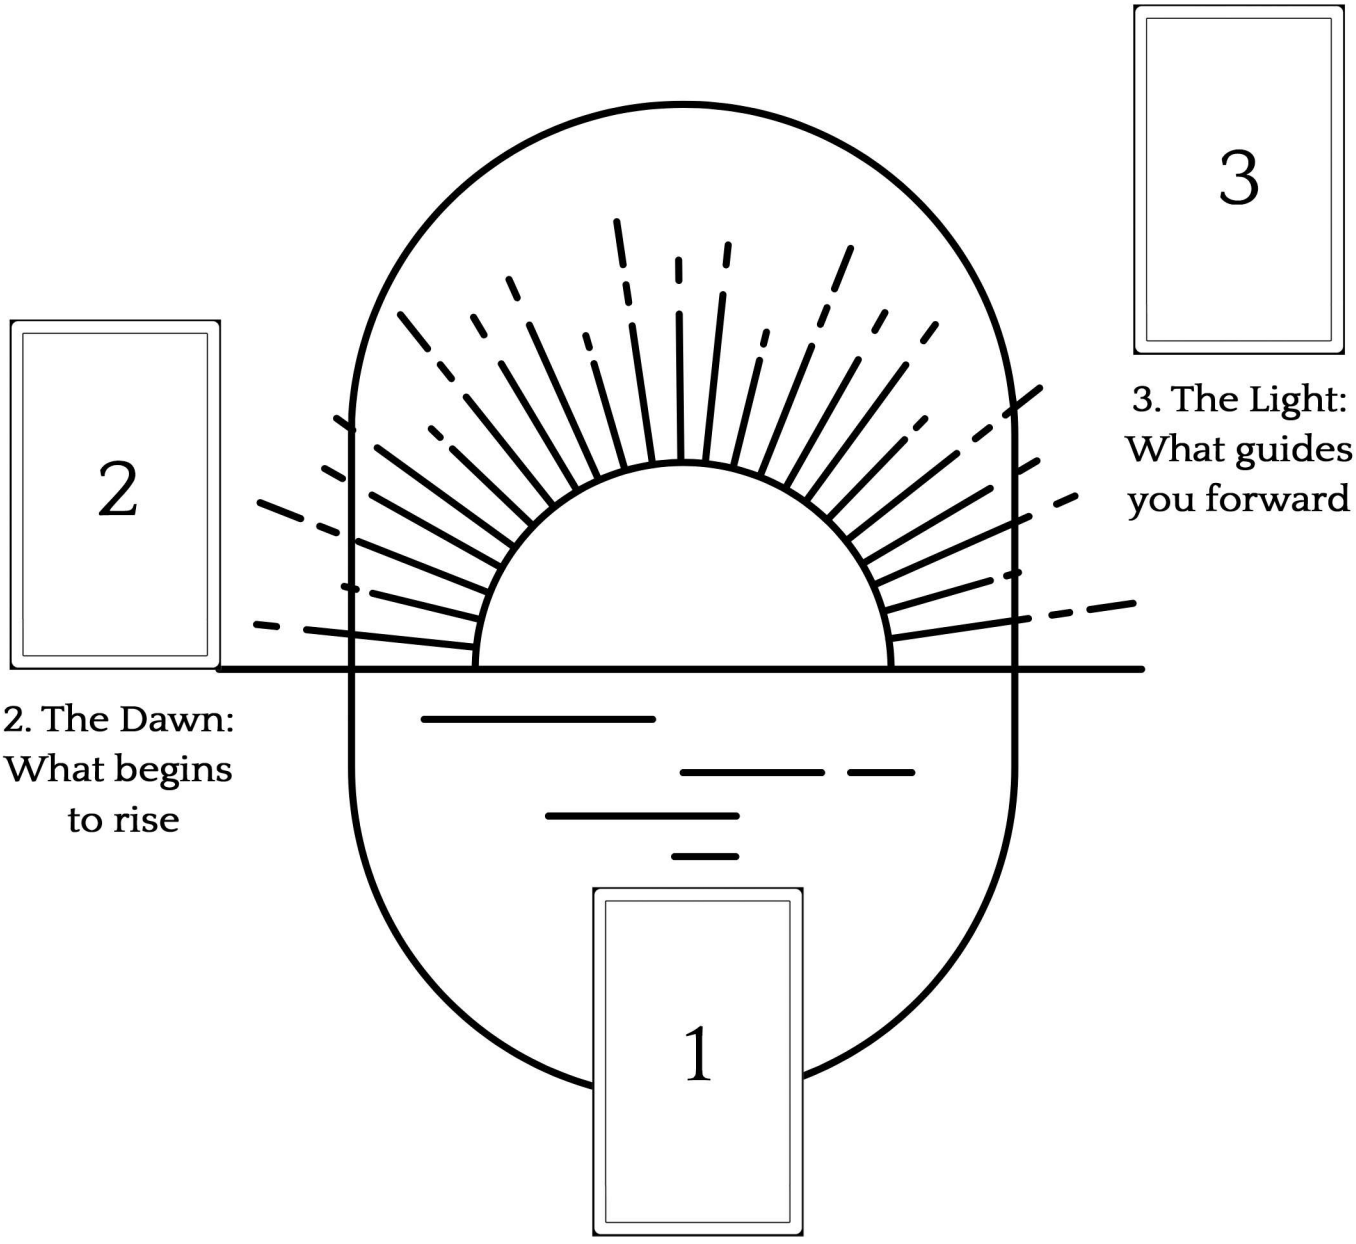
Solstice Spread

Date: _____

Deck: _____

The Solstice Sun Spread offers a way to reflect on the turning of the year as darkness gives way to returning light.



3. The Light: What guides you forward

2. The Dawn: What begins to rise

1. The Darkness: What has completed its cycle

The Darkness reveals what is ready to fall away, lessons that have run their course, and the energies you no longer need to carry into the new year.

The Dawn shows the first spark of new beginnings and opportunities, renewed strength, or a shift taking shape beneath the surface.

The Light illuminates the path ahead, offering clarity, direction, or wisdom to help you step into the returning light with confidence and purpose.
