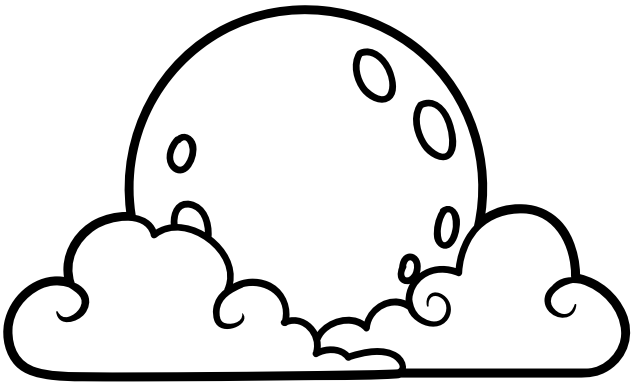
Blue Moon Journaling



"May this rare Moon clear your path and strengthen what is ready to grow."

What rare opportunity is appearing in my life right now, and how can I act on it?

What part of myself needs healing, rest, or more compassion?

What would change if I trusted my intuition more deeply?

Where in my life do I need more honesty, clarity, or courage?

What kind of person do I want to become before the next Blue Moon arrives?
